2nd International Staff Week
6th–10th November

STRANMILLIS UNIVERSITY COLLEGE
A College of Queen's University Belfast

Dear Partner,

We are very pleased to announce our 2nd International Staff Week at Stranmillis University College from 6th – 10th November 2017 and we warmly invite you to join us to experience Stranmillis University College and our local culture in Belfast, Northern Ireland.

Stranmillis University College was established in 1922 with an historic purpose to provide initial teacher education in Northern Ireland, a mission which remains at its core through its BEd (Primary and Post-Primary) and PGCE in Early Years Education degree programmes. Over the years the College has expanded its undergraduate portfolio to offer a range of professionally related academic programmes, including a BA in Early Childhood Studies and a BSc in Health, Physical Activity and Sport. The College has also developed a successful Masters programme as well as thriving Continuing Professional Development and Lifelong Learning programmes.

During our 5 day event you will have the opportunity to tour our campus, meet our staff, learn about our courses, exchange knowledge and experience our local tourist attractions. We are particularly keen to explore the potential for collaboration in research and scholarship.

To submit your application please complete and return the attached form to m.shields@stran.ac.uk by 25th August 2017.

The number of delegates for the week will be limited to 16, with the maximum number of two delegates per institution.
